Cricket Competitions for Youth

Promoting Peace Through Sports

Afghanistan has risen as one of the most inspiring World Cup players. The fearless play of the Afghanistan national team in the Cricket World Cup is what has set the stage for Afghan youth.

“The Zamani Foundation is inspired by how Afghan Cricket has risen to prominence. The Zamani Foundation organized, and sponsored, cricket matches for youth in Kunar and Jalalabad, Afghanistan.”

Jalalabad is considered, by many, as the heart of cricket in Afghanistan, whose national team played at the World Cup level.

There were four teams playing every day and the games continued for two weeks. The Zamani Foundation provided the sports jerseys, a space to play, and the cricket equipment.

PROMOTING PEACE THROUGH SPORTS

The passion of cricket among Afghans provides a way to use play to give children and teens the opportunity to develop physical competence and enjoyment of the outdoors, understand and make sense of their world, interact with others, express and control emotions, develop their symbolic and problem-solving abilities, and practice emergent skills.

” Education breeds confidence.
Confidence breeds hope.
Hope breeds peace.
