Education for Every Child

A Trajectory Toward Success

Uganda - Eastern Africa

The Zamani Foundation

provided funding to a school in Uganda, part of its educational initiative, driven to provide children all over the world access to education.

“In Uganda the Zamani Foundation empowers young people through funding educational opportunities. This can drastically improve their life trajectory as they grow up and pursue educational and employment opportunities in their future.”

In the Zamani Foundation, we believe that equal opportunity begins with educating and empowering young people. The foundation is committed to provide quality services and accessible tools to educate children and adolescents around the world. The Zamani Foundation enhances capacity to increase access to primary education that is inclusive and innovative.

“Our team in the Zamani Foundation believes that every child should be empowered to complete their schooling and provided the necessary resources, supplies, or educational services.”

Our team in Uganda, helped and assist locals who were struggling to provide development programs for children and adolescents. The Zamani Foundation, having the robust initiatives to add value to the classroom experience around the world and will continue to help children get access to education.

” Education breeds confidence.
Confidence breeds hope.
Hope breeds peace.
