## “Education is a core pillar of the Zamani Foundation...”

---

As Mustafa Zamani believes that investing in education is investing in a better, more peaceful world, as education is a gift that provides stability to communities. The Zamani Foundation will continue to provide people with access to a great education and employment opportunities, allowing them to support their family and their community as a whole.

” Education breeds confidence.  
Confidence breeds hope.  
Hope breeds peace.
